About Us

Naqel Al Musanada provides transportation of all heavy equipment & exceptional loads, land transport, air, and sea cargo, and transportation services from anywhere around the kingdom to all airports/seaports or right to your door.

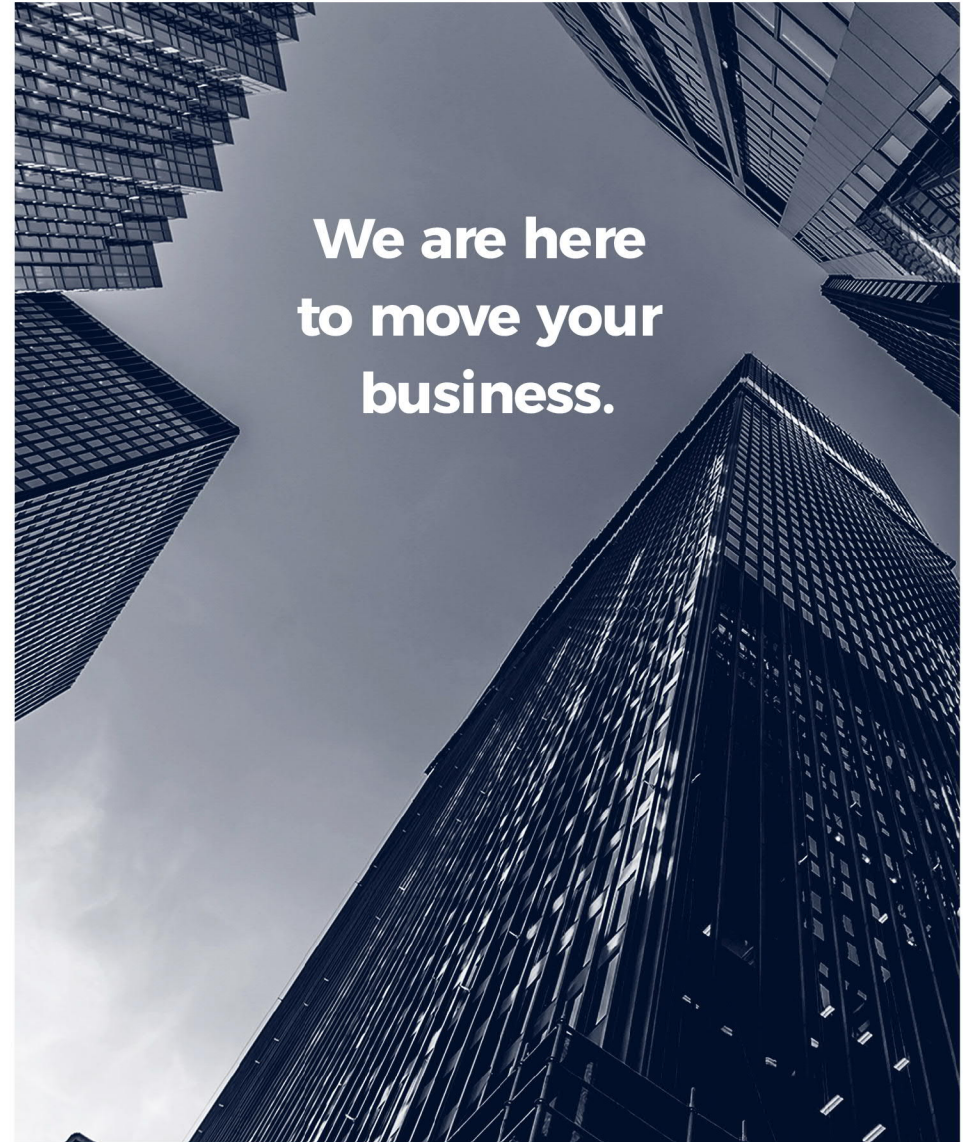

Special partnerships and deals struck with the most respected airlines and shipping lines around the kingdom enable Nam Logistics to get the best prices and placement for all shipments, which we are happy to share with our clients and authorized agents.

It is safe to say that Naqel Al Musanada is becoming a pioneer and front runner in its' own field through its' experience and dedication to providing the best service possible.

FAST DELIVERY

Take advantage of our services and solutions designed to meet your shipping requirements quickly and safely.

**We are here
to move your
business.**

Our Vision

Our vision is to be the "World's Leading Logistics Provider".

Our Mission

We aim to establish a reputation for trust and security among our customers, so they can depend on us.

Our Values

To be a logistics company that protects family values, emphasizes trust and cooperation among partners and strengthens young generation with modern management techniques.

Our Management Policy

Naqel Al Musanada envisions quality management as the key to increasing firm-level competitiveness and high-level customer satisfaction during the production and service phase.

Our Services

AIR FREIGHT

Your customers are waiting for your products. How can you get them where they need to be on time and budget?

Air Freight services are the perfect solution when you need to deliver high-value or time-sensitive shipments. Operating from airport to airport, they offer a higher level of control and flexibility than many international courier services. You can also enjoy a greater choice of departure days, routings, and pricing options.

At Naqel Al Musanada, we can precisely tailor our services to meet the unique demands of your commercial customers, big and small, from around the world. Whatever your needs, from delivering small volumes to last-minute requests, we ensure that your international cargo arrives safe, sound, and on time.

CUSTOMER COMMITMENT

At Naqel Al Musanada, we believe that our customers' success is our success and we are deeply committed to building lasting win-win relationships with our customers. We make every effort to gain

a deep knowledge of our customers and a focus on tailoring solutions to their individual needs. Whether we are moving cargo to the other side of town or the other end of the world, we actively listen and respond to our customers' requirements and proactively seek new ways to help our customers achieve success by ensuring that their cargo arrives safely, in perfect condition, within budget, and on .time, every time

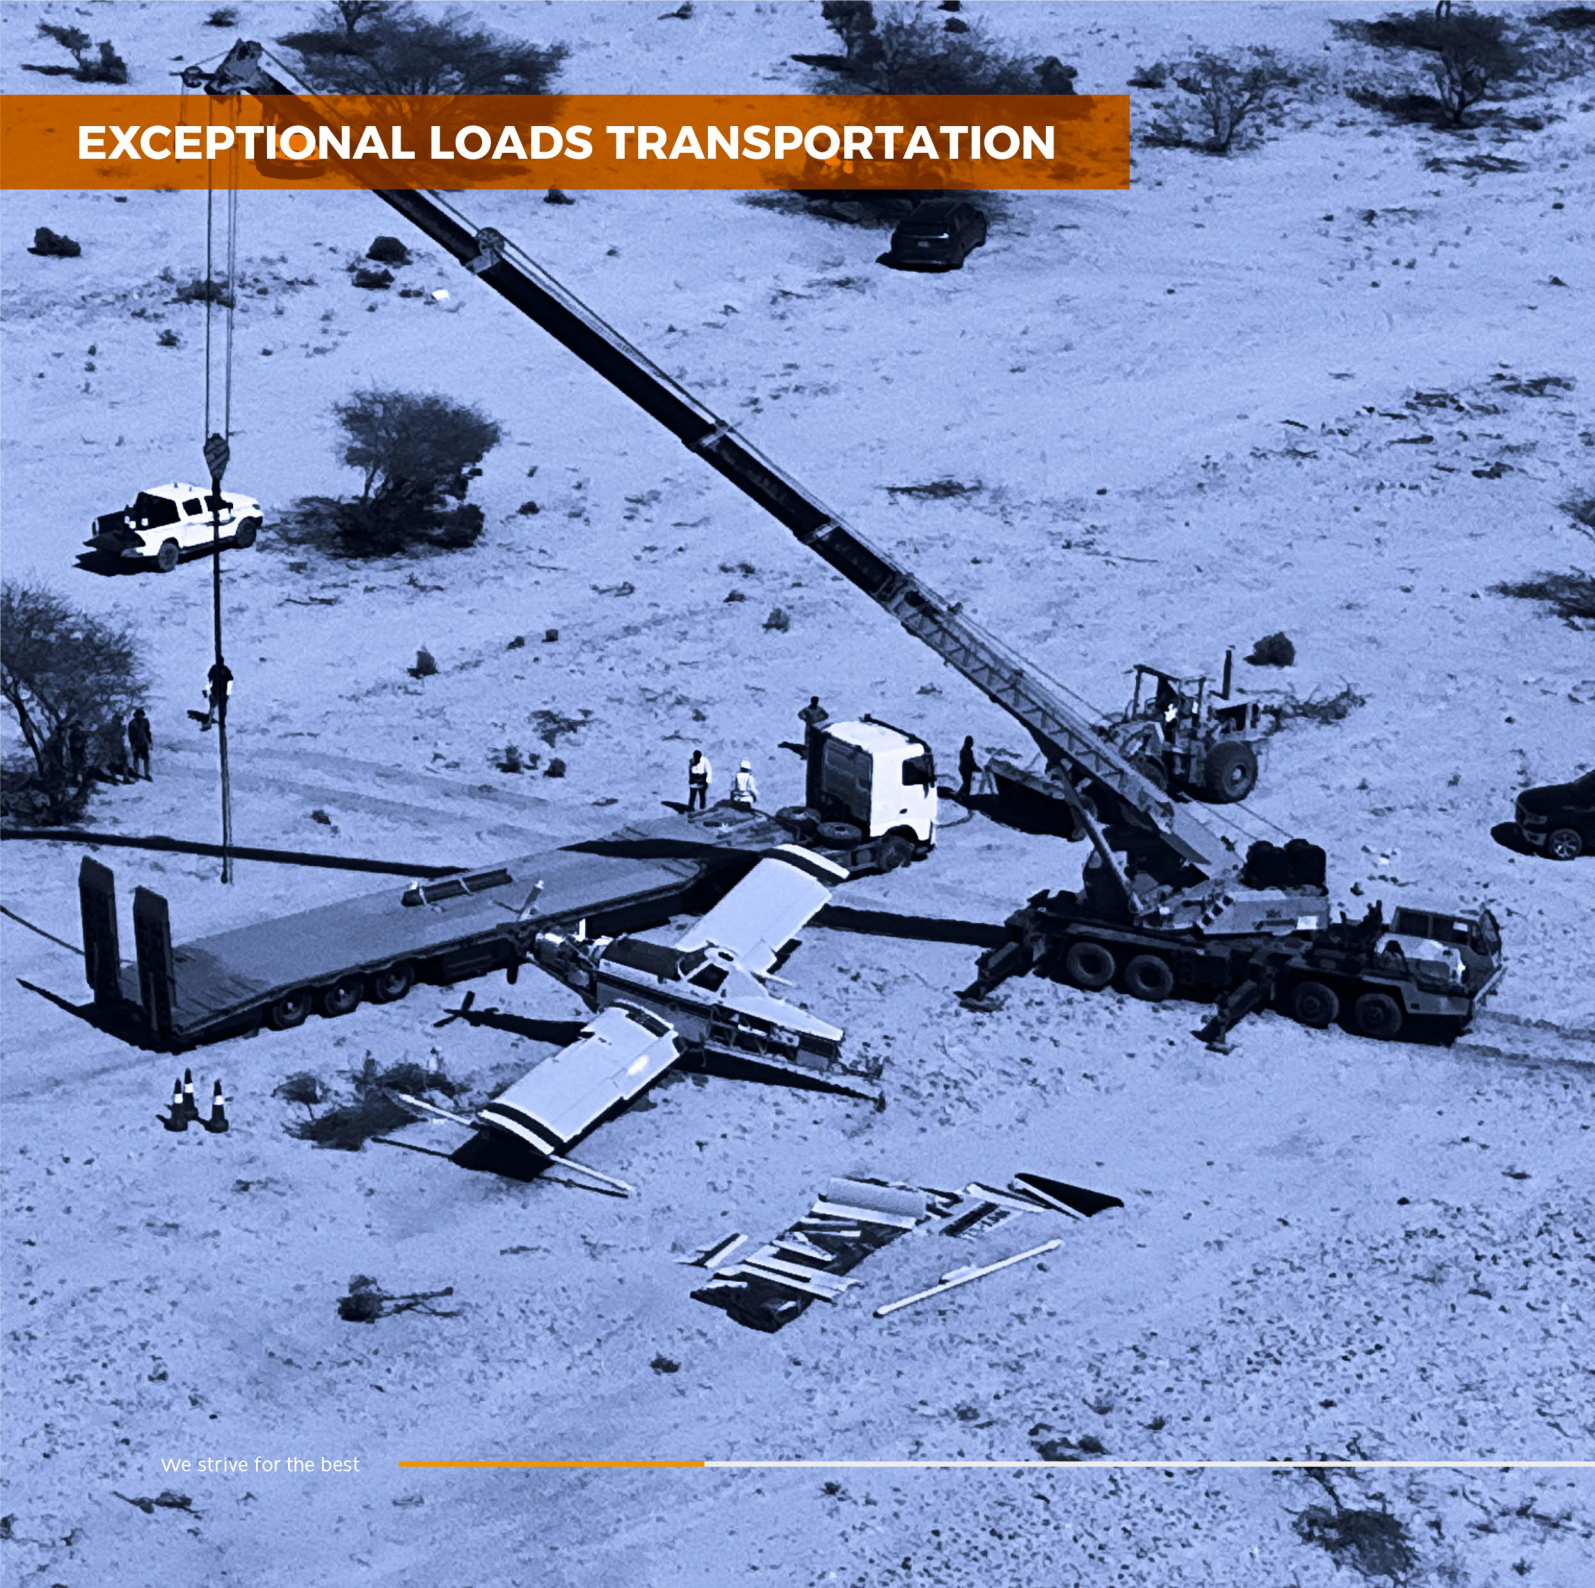

TRANSPORTATION OF ALL HEAVY EQUIPMENT & EXCEPTIONAL LOADS LAND TRANSPORTATION & PETROLEUM TRANSPORTATION

We can provide road and land-based transport services throughout the kingdom and across the GCC.

Because of our experience in the worldwide shipping industry, we've developed a strong global network of carefully selected partners who can help us deliver your goods anywhere in the kingdom and the GCC. From single pallets up to full trailer loads, we will create a customized road freight solution for your needs.

Road Freight is most suitable for consignments over 50 kilos. We can utilize all forms of road haulage and can take on full loads and part loads, including specialist cargo such as valuable and hazardous materials.

EXCEPTIONAL LOADS TRANSPORTATION

PETROLEUM TRANSPORTATION

Our Services

OCEAN FREIGHT

Ocean freight services are a more economical and greener way to ship large or bulky items internationally. While air freight is favored for time-sensitive shipments, ocean freight is still the first choice for many businesses and individuals looking for a cost-effective solution.

If you need to ship a significant volume of goods, and if you are happy for longer transit times to be offset by reduced costs, ocean freight could be the perfect option to suit your needs.

Chairman's Message

Our goal is to establish trust and security among our customers, so they can depend on us.

Naqel Al Musanada is dedicated to developing customer, industry-oriented supply chain solutions by keeping its Ocean, Airfreight Forwarding, and Contract Logistics Services empowered, and delivering the best quality and service we promise and as our customers expect.

We, at Naqel Al Musanada, offer a convenient layout of standard freight management services, including all possible routes, i.e. Air, Sea, and Road to balance urgency and cost-effectiveness for your everyday shipments.

We aim to grow and support the increasing market demand for international operations. Our goal is to be the “World’s Leading Logistics Provider,” we will work to be a company that precisely satisfies our customers while efficiently responding and adapting to changing social and economic conditions.

We devotedly and dedicatedly aim to contribute to the sustainable development of the market through our business.
